

# NEW TSA REQUIREMENTS / EBR

## ESTABLISHED BUSINESS RELATIONSHIP STATEMENT

### FREIGHT FORWARDER DECLARATION - WHAT IS IT?

The form is a required statement that the TSA wants completed and signed document to accompany the import documents for an Air Freight inbound to the United States. Note that this is related to ACAS is a Security directive for AMS filings that now require 7 additional records through the AMS transmission that is handled by the actual Air Carrier.

What does it mean; TSA has issued new requirements for cargo shipments on **passenger carriers** travelling to or through the USA and originating in one of the countries designated by the TSA. These requirements mandate that cargo may only be tendered from shippers with whom the forwarder has an Established Business Relation (EBR). In a nutshell it means that if there is not prior relationship then the cargo cannot be put on a passenger flight it must be on a cargo only flight.
